Arnaud is a founding partner of D'ALVERNY DEMONT & ASSOCIÉS. He heads the Firm's Corporate Law and Private Equity teams.

He focuses his practice on mergers & acquisitions, venture capital transactions, and private placements and is often called upon to assist clients with structuring joint ventures and strategic alliances.

Arnaud's practice also extends to structuring and negotiating management incentive packages.

Arnaud also advises French and international clients on general corporate governance and day-to-day legal matters. He is also experienced in representing and advising clients on regulatory matters, including data protection.
