Huub van Osch (1969) is a specialized Employment Law attorney since 1996. He joined VDB Advocaten Notarissen in 2011 to lead the employment law department. He represents his clients in all kind of employment related matters, including litigation. His expertise includes reorganisations, restructuring, transfer of undertaking, collective dismissals, the dismissal of Managing Directors, employee health and safety and employee privacy. Furthermore he focuses on advising clients during Works Council consultation procedures and negotiating with trade unions on the terms of a Social Plan. His clients belong to various sectors: the IT sector, the metal industry/ construction/electronics, Technical certification and classification, supply chain services, the call-centre branch, pharmacy, recruitment and training, finance and media. Huub frequently publish articles and he lectures employment law at the post graduate program of the University of Amsterdam. He is a named individual in the EMEA legal 500 of 2011, ‘Huub van Osch knows the laws and court decisions, and is able to provide strategic advice (even on the psychological aspects)’.
